employee or family member. If more than one specialty consultation or diagnostic test is required in a fiscal year, additional services will be provided at 50% of the prevailing charges.

r: One pair of glasses, including frame (\$40 allowance toward the wholesale cost of the frame) and single vision, bi-focal lenses, or basic progressive lenses will be provided to each eligible individual at no charge. See attached chart for pricing/discounts for subsequent purchases. There is no limit to the number of glasses that can be purchased under the discounted structure.

: Employees and dependents are entitled to annual contact lens care. Contact lens care includes the contact lens fitting, lens dispensing, and associated follow up visits. Contact lenses (daily wear soft, rigid gas permeable, frequent replacement, extended wear) for any given fiscal year will be provided at The Eye Institute's wholesale cost. (If contact lens orders are placed more than once per fiscal year, a \$10.00 service charge will be added to the wholesale cost of additional orders. An annual comprehensive examination is required, in order to continue to place contact lens orders.

_____: No additional services are included under this vision care benefit. Payment for all additional services is required at The Eye Institute's prevailing charges.

The University requires the application of any available insurance benefits which the employee or their family members or retirees may have. Insurance information will be collected and insurance companies billed for services as applicable. If insurance is available, there will be no additional charge for the covered benefit. No insurance co-payment is required for any covered service.
