

success, academic excellence, campus master planning and other emerging priorities as we look ahead to the next 150 years of educating Horned Frogs.

One of the most significant duties of the Board of Trustees is their fiduciary role and strategic stewardship of TCU. Sustainability remains a top priority as we continue to invest in TCU's academic and student experience, plan for strategic growth and weigh the impact of economic factors on costs. Continue reading for details regarding these initiatives and other important topics.

On behalf of the Board and myself, thank you for all that you do to make TCU an inspiring, engaging, high-performing, values-centered leader in higher education. Our community's priorities and actions today will impact TCU for the next 150 years.

Sincerely,

Victor J. Boschini, Jr.
Chancellor

UNIVERSITY TUITION AND CAPITAL PROJECTS

The following details support

Trustees approved a 7.9% tuition increase for the academic year 2024-2025. Need-based aid will increase by 7.9% as well to match student and family need.

grounds management. The national Professional Grounds Management Society honored TCU with the highest "Grand" Award for mid-size university and college grounds as part of its Annual Awards Celebration last month. The society recognizes the top landscapes in the country with the highest level of excellence. TCU grounds also received national awards from the Sports Field Management Association for natural turf fields: Moncrief Field at Amon G. Carter Stadium was named "Field of the Year" in 2022; The Jane Justin Field at the Garvey-Rosenthal Soccer Stadium was named "Field of the year" in 2022; and The Williams-Riley Field at Lupton Stadium won "Field of the Year" in 2023.
